

A circular logo with a green border. Inside the circle, there are three stylized human figures in blue and green, arranged in a triangle. Above them is a yellow lightbulb with rays emanating from it. The text 'UNDERSTANDING AND EXPLAINING' is written in white capital letters along the top inner edge of the green border, and 'IN KEY FIGURES' is written in white capital letters along the bottom inner edge.

THE SERVICES PROVIDED BY RUMINANT LIVESTOCK FARMING

Ruminant farming provides multiple, often overlooked, services. It is this reality that CNE (French confederation of livestock farmers), in collaboration with the French Livestock Institute (Idele - Institut de l'Elevage), wished to highlight through 22 richly illustrated and scientifically reviewed fact sheets. Discover them using the QR code below.

ENVIRONMENT

- Biodiversity
- Greenhouse gases
- Soil quality
- Air quality
- Energy
- Water resources

TERRITORIAL VITALITY

- Jobs
- Rural areas
- Least cultivable areas
- Predation
- Livestock farming
- French food sovereignty

HEALTH AND WELFARE

- Animal health
- Animal welfare

HERITAGE AND QUALITY OF LIFE

- Traditional heritage
- Gastronomic heritage
- Landscapes

FOOD AND PRODUCTS

- Food production
- Animal feed
- By-products

GENERAL VISION

- Circular economy
- French livestock farming model
